

## **Books**

---

### **Aquamarines, Antero**

By Mark I. Jacobson

A presentation about Mt. Antero Aquamarines with interesting stories of locals and their adventures.

Hard Cover. B&W/Color plates 126 pages

1993

### **Cities Of Gold**

History of the Victor Cripple Creek Mining District

By Brian Levine

Truth and tales of the area

Soft Cover. B&W photos 100 pages

1981

### **Colorado Amazonstone, the Treasure Of Crystal Peak**

By H.H. "Tom" Odiorne

A presentation regarding Amazonite and the Crystal Peak area.

Hard cover. Color plates. 51 pages

1978

### **Colorado Gem Trails and Mineral Guide**

By Richard Pearl

A concise guide to the locations of minerals in Colorado.

Hard cover. Line drawings. 176 pages

1958

### **Colorado Gem Trails and Mineral Guide**

By Richard Pearl

Revised copy

1972

### **Colorado, Landforms of**

By Richard M. Pearl

A description of the scenic features in Colorado.

Soft cover. B&W photos. 80 pages

1975

### **Colorado, Minerals of – A 100 Year Record**

By Edwin B. Eckel, USGS Bulletin 1114

Descriptions and occurrences of minerals in Colorado with interesting associated stories. With index.

Soft cover. 399 pages

1961

### **Colorado Rockhounding**

By Stephen M. Voynick

A guide to minerals, gemstones and fossils. A nicely written piece with well-drawn area maps.

Soft cover. B&W photos. 372 pages

### **Colorado, The Rockhound's Guide to**

By William A. Kappel

A listing of 78 of Colorado's rockhounding sites.

Soft cover. B&W and color plates of fine quality. 693 pages

1955

(This book is MISSING)

### **Crystals and Crystal Growing**

By Alan Holden and Phylis Morrison

Ways to grow crystals

Soft Cover. B&W photos 318 pages

1982

### **Crystals and Light**

By Elizabeth A. Wood

Soft Cover. B&W photos plus 8 color plates. 156 pages

### **The Curious Lore of Precious Stones**

By George Frederick Kunz

Tales and beliefs about gems worldwide

Soft cover B&W photos and 6 color plates

1941

### **DGA**

A fine work with extensive descriptions of identification and working of minerals and gemstones.

Hard cover. Color and B&W photos of excellent quality. 1.026 pages

(This book is MISSING)

### **Encyclopedia of Minerals**

By Willard L. Roberts, George R. Rapp, Jr. and Julius Webber

An authoritative treatise with extensive information on over 2200 mineral species.

Hard cover. Over 950 color plates of fine quality. 693 pages

1974

### **Elements of X-Ray Crystallography**

By Leonis V Azaroff

A complete introduction to the essential elements of x-ray crystallography, geometry, physics, and interactions

Hard cover B&W photos 595 pages

1968

**The Evolution of the Igneous Rocks**

By N. L. Bowen

A reference book for geologists

Soft cover. 322 pages

1956 first published in 1928

**Exploring Rocks, Minerals, Fossils In Colorado**

By Richard Pearl

**F. John Barlow Mineral Collection**

By F. John Barlow, R.W. Jones, and G.L. LaBerga

A photo tour of one of the world's finest mineral collections.

Hard cover. 507 color photos. 408 pages.

1997

**Fading Shadows**

By L.W. LeRoy and J.J. Finney

A pictorial presentation of the many mining ghost towns found in Colorado as of 1974.

Hard cover. B&W photos of fine quality. 182 pages

1973

**Field Guide to Rocks and Minerals**

By Federick H. Pough

Basics in identification and formation

Hard cover. B&W and Color photos

1960

**Field Guide to Landforms in the United States**

By John A. Shimer

Hard cover. B&W photos and maps

1972

**The Fossil Book**

By Carrol Lane Fenton and Mildred Adams Fenton

The story of life

Hard cover. 482 pages

1958

**Fossils**

By William H. Matthews 111

An introduction to prehistoric life

Soft cover. B&W photos 323 pages

1962

**Gems and Minerals of America**

By Jay E. Ransom

An exhaustive work regarding both mineral identification and rock collecting.

Hard cover. A few B&W and color plates. 705 pages

1974

**Gem Trails of Colorado**

By James R. Mitchell

A map of each site, a page of written directions, and digging tips

Soft cover. B&W photos 124 pages

1992

**Gem Trails of New Mexico**

By Bessie W. Simpson

Soft cover. B&W photos, 40 maps, 65 locations

1981

**Gem Trails of Utah**

By Bessie W. Simpson

Soft cover. B&W photos, 41 maps, 64 locations

1978

**Gem and Crystal Treasures**

By Peter Bancroft

100 incredible field trips to many world famous gem and crystal mines including great Colorado history and photos

Hard cover. B&W and color photos 473 pages

1984

**Gem Testing**

By B.W,Anderson

Identification techniques

Hard cover. 256 pages B&W photos

1981

**Gemology**

By Cornelius S. Hurlbut,Jr. and George S. Switzer

Hard cover. B&W photos and color plates 241 pages

1979

**Geology of the Industrial Rocks and Minerals**

By Robert L. Bates

Soft cover. B&W 259 pages

1969

**Glossary of Mineral Species, 1975**

By Michael Fleischer

An alphabetical list of the names, symmetry and chemical compositions of mineral species as of January 1, 1975.

Spiral cover. 145 pages

(This book is MISSING)

**Glossary of Minerals Species 1983**

Same as above. REVISED 202 pages

### **Guide to the Geology of Colorado**

By Andrew M. Taylor Ph.D.

Signed copy Soft cover 222 pages B&W and color photos

Figure 4, Geological map of Colorado. Figure 5, Geological location map

1999

### **The Hamlyn Guide to Minerals, Rocks, and Fossils**

By W.R. Hamilton, A.R. Wooley, A.C. Bishop

Soft cover. Color plates 312 pages

1974

### **Handbook for Prospectors**

By Richard Pearl

Includes the code of ethics of the American Federation of Mineralogical Societies (page 23)

Hard cover 448 pages B&W photos

1973 (revised from original 1943)

### **Introduction to Lapidary**

By Pansy D Kraus

Special lapidary techniques, faceting, rock tumbling, cabachons etc.

Soft cover. B&W photos 196 pages

1987

### **Jade**

By J.P. Palmer

Describes the properties of jadeite and nephrite with photos of specimens from China, Persia, India, New Zealand and Pre-Columbian America.

Hard cover. Over color plates of fine quality. 54 pages

1968

### **Jade, Wyoming**

By Russell P. MacFall

A light history of past Jade hunting efforts primarily in but not limited to Wyoming.

Soft cover. Interesting B&W photos. 56 pages.

1980

### **The Jewelers' Manuel**

By Gemological Institute of America

A course on everything from diamonds to watches

Hard cover. 362 pages

1967

**Kansas Rocks and Minerals**

By Laura L. Tolsted and Ada Swineford

A description of primarily sedimentary deposits.

Soft cover. B&W photos and maps. 64 pages

(This book is MISSING)

**Mesa Miracle**

By Union Carbide aka/UMETCO

A 1950's treatise on uranium exploration and mining in Colorado

Soft cover. B&W photos. 72 pages.

1955

**Meteorites and Man, Fallen From Heaven**

By Richard M. Pearl

A description of the most famous 199 meteorites.

Soft cover. B&W photos. 72 pages

1975

**Minerals of Colorado**

By Edwin B. Eckel

Includes 774 mineral species, detailed information of each, locality information, bibliography and analyses

Hard cover. 665 pages Color and B&W photos

1997

**Mineral Identifier**

By Anthony C. Tennissen

A pocket-sized simple guide showing the more common minerals.

Hard cover. Color plates. 224 pages

(This book is MISSING)

**Mineral Recognition**

By Iris Vanders and Paul F. Kerr

A work designed to illustrate methods of rapid mineral identification.

Hard cover. Color plates with crystallography drawings. 316 pages

1967

**Minerology for Amateurs**

By John Sinkankas

From atomic particles of minerals to growth, geometry, environments, identifications and much more

1964

**Mines and Minerals of the Great American Rift**

Colorado and New Mexico

By Richard Walder Holmes and Marrianna B Kennedy

Where they are and more

Hard cover. 332 paged

1983

**Natures Names for Colorado Communities**

By Richard Pearl  
Soft cover. 24 pages  
1975

**Photography of Mineralogical, Paleontological And  
Archaeological Specimens,**

By Friends of Mineralogy  
A compilation of short papers presented at the 7<sup>th</sup> Friends of  
Mineralogy Colorado Chapter Symposium.  
Spiral cover. B&W photos.  
1989

**Precious Stones**

By Max Bauer  
Soft covers in two volumes. Volume 1 is B&W (1968) and  
Volume two (1953) has 8 color plates  
Descriptions of various gems and minerals.

**Prospecting for Gemstones and Minerals**

By John Sinkankas  
A guide to recognizing the signs of mineral and gem deposits with  
specific area descriptions.  
Hard cover. 323 pages  
1970

**Roadside Geology of Colorado**

By Halka Chronic  
Soft cover. B&W photos and maps  
1980

**Roadside Geology of Yellowstone Country**

By William J. Fritz  
Soft cover. B&W photos and maps. 322 pages  
1985

**Roberts Rules of Order**

Probably the most widely accepted work on rules of parliamentary  
procedure.  
Hard cover. 323 pages  
1953

**Rocks and Minerals**

By Richard M. Pearl  
A presentation discussing radioactive and fluorescent minerals as  
well as gems and meteorites.  
Soft cover. B&W and color plates. 275 pages  
1954(This book is MISSING)

## **Rocks, Minerals and Fossils**

### **Localities of Utah**

By James R. Wilson

A collectors' guide with locations, descriptions of materials to be found, maps and legal aspects

Soft cover. 148 pages 16 pages color photos

1995

### **Rockhounding Wyoming**

BY Kenneth Lee Graham

A list of well-known collecting sites for a number of different minerals and fossils.

Soft cover. B&W photos and maps. 158 pages

### **Secure the Shadow**

By Duane A. Smith and Hank Wieler

Photographs by Lachlan McLean

A presentation of photographs taken by L. McLean showing aboveground and underground mining work. Photos were taken around the turn of the century (1900).

Hard cover. Over B&W photos of fine quality. 82 pages

1980

### **Springs of Colorado**

By Richard M. Pearl

A description of the springs of Colorado

Soft cover. B&W photos. 36 pages

(This book is MISSING)

### **Western Mining**

By Otis W Young, Jr.

An informal account of precious metals prospecting, placering, lode mining, and milling from Spanish times to 1893

Soft cover. B&W photos. 342 pages

1978

## **COMPUTER SOFTWARE**

---

### **Photo-Atlas of Minerals**

Los Angeles Museum of Natural History Foundation

A marvelous PC-based program with information about 3,700 minerals. Contains gorgeous color illustrations of about 800 minerals. Allows you to select minerals by Name, Synonym, Strunz system, Metallic element, Location, Crystal Class, Hardness, Specific Gravity, Luster, Color or Streak. Also allows you to save any of the images in the program as computer files. Runs on any PC-compatible system of 1997 or later vintage.

1998

Two Copies

## **VIDEOS**

---

### **Maroc, The Minerals Of Morocco**

By Levin Jester

A description of a trip from Casablanca over the Atlas Mountains to the Sahara Desert to buy Vanadinite crystals from the miners.

Approximately 30 minutes

### **Gemstones of America**

By National Museum of Natural History

A journey from U.S. mines to gems in the Smithsonian Museum in Washington, D.C.

1991 60 minutes..

### **Collecting Earth's Natural Treasures**

Director Kevin Guest

Gems, Minerals, and Fossils

1992 60 minutes

### **Fall in Love with the World Again**

The Keith & Mauna Proctor Crystal Collection

1988 60 minutes

### **DGMG Field Trip to Bingham NM**

Includes tour of the site , history, and geology by the claim owner

2002

***“HOW-TO” BOOKS***

---

**Artistry in Cabochons** by Robert W. Fergus

**Exhibitors Manual/AFMS** by Jessie Hardman (This book is MISSING)

**Facet Cutter’s Handbook** by Edward J. Soukop

**Guidelines for Exhibitors/AFMS** by AFMS (This book is MISSING)

**Guidelines for Judges/AFMS** by AFMS (MISSING)

**Handbook of Gemstone Carving** by Ed and Leola Wertz (This book is MISSING)

**How to make Gemstone Jewelry Boxes** by Robert “Bob” Hill (This book is MISSING)

**Jewelry Maker’s Handbook** by Eva L. Geisinger

**Jewelry Making for Beginners** by Edward J. Soukup

**Micromounts, the Complete Guide** by M.L. Speckels (This book is MISSING)

**The Art of Gem Cutting** by H.C. Dake

**The Handout of the DGMG Workshop**

**‘How to do a Case for the Show’ by Pete Neri & Friends**
